

FIVE GENERATIONS OF EXCELLENCE IN VEAL AND LAMB

Since 1969, Marcho Farms has delivered unmatched consistency, flavor, and versatility with a full line of case-ready products, with options in MAP and VSP packaging. Marcho's all-natural cuts—including bone-in chops, boneless cutlets, ground products, and seasoned roasts—offer labor-saving convenience, extended shelf life, and reduced shrink.

From the tender, humanely raised veal to marinated lamb roasts crafted for modern consumer expectations, Marcho is setting a new standard in fresh meat programs that balance quality and operational efficiency.

FARM TO SHELF: PENNSYLVANIA RAISED VEAL & LAMB

- > **All-Natural & Clean Label:** No artificial ingredients, no added hormones or antibiotics—just pure, responsibly raised veal and lamb.
- > **Born, Raised & Harvested in the USA:** Full domestic supply chain in Montgomery County, Pennsylvania ensuring superior quality, consistency, and traceability.
- > **Humanely Raised, USDA Choice Quality:** Marcho prioritizes animal care, producing tender, flavorful cuts that meet the highest standards.
- > **Labor-Saving Case-Ready Formats:** Available in MAP and VSP packaging to reduce back-of-house prep, shrink, and stockouts.
- > **Value-Added Cuts for Modern Consumers:** From marinated lamb roasts to veal cutlets and grinds, the lineup is designed to meet retail and foodservice demand for convenience and premium taste.
