

# EAT LOCAL

## TASTES OF THE GREAT LAKES

## Salsas, Vegetable Dips & Spreads

Eat Local salsas and vegetable dips are crafted with real ingredients and bold, authentic recipes. Fresh spinach, crisp water chestnuts, tangy feta, zesty cheddar, and fire-roasted peppers come together in small-batch recipes designed for sharing, snacking, and entertaining. Fresh, flavorful, and made with care—these are dips worth gathering around.

|                                                                                                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                          |                                                                                                                                                                                                                               |
