

BRINGING THE CARMELA LEGACY TO THE CENTER OF THE PLATE.

Carmela's Signature Portfolio, Port to Pasture, is dedicated exclusively to premium, traceable proteins, from fresh and frozen seafood to pasture-raised beef, pork, poultry, and game. Rooted in the same trust that built our legacy in cheese, pantry, and charcuterie, Port to Pasture elevates our protein partnerships into a unified program.

PORT TO PASTURE

— CARMELA —

FROM RANCH TO RANGE, CURATED WITH PURPOSE.

Port to Pasture is Carmela Foods' commitment to sourcing premium land-based proteins—carefully selected to meet the standards of chefs, buyers, and operators who demand consistency, integrity, and performance.

Our program brings together heritage ranchers, specialty producers, and precision fabricators across beef, pork, poultry, veal, lamb, and alternative proteins. From Prime Wagyu to family-farmed poultry and globally sourced specialties, every product is chosen with intention.

At every step, we rely on trusted partnerships and experienced buyers who understand grading, seasonality, fabrication, and yield—so what you specify is what arrives.

Port to Pasture isn't about a single source. It's about the right source, at the right time, selected with expertise.

TRUSTED SOURCING. INTENTIONAL SELECTION.

CAMPO GRANDE

WILD. NATURAL. SUSTAINABLE.

Market-Driven Selection

Selections based on seasonality, supply, and performance.

Trusted Partnerships

Long-standing relationships with fisheries, ranchers, and processors.

Consistent Quality

What's specified is what arrives—no surprises, no shortcuts.

*SO - Special Order

CRAFTED WITH INTEGRITY. ROOTED IN TRADITION.

Authenticity Provisions delivers premium grass-fed and Wagyu beef programs built on clean sourcing and time-honored craftsmanship. From everyday ground beef to American Kobe deli specialties, their products combine heritage techniques with modern quality standards. The result is bold flavor, transparency, and consistency chefs and retailers can trust.

CAMPO GRANDE

SPAIN'S FINEST IBÉRICO – CURATED FOR YOUR TABLE.

Campo Grande brings authentic Spanish Ibérico pork to modern meat counters and chef-driven kitchens. Sourced from free-roaming, acorn-fed Ibérico pigs raised on independent farms in southern Spain, these cuts deliver unmatched marbling, deep umami richness, and powerful storytelling appeal. This is elevated pork designed to drive discovery, premium positioning, and repeat sales.

SUSTAINABLY SOURCED. MASTERFULLY CRAFTED.

- › **Acorn-Fed Ibérico Heritage** – Exceptional marbling comparable to Wagyu beef.
- › **Free-Roaming Raised** – Humane, crate-free farming on Spanish dehesa pastures.
- › **Rich Umami Depth** – Nutty, complex flavor with remarkable tenderness.
- › **Clean & Nutrient Dense** – No hormones or antibiotics, high oleic acid.
- › **Premium Retail Storytelling** – Spanish heritage that commands attention and margin.

PORT TO PASTURE

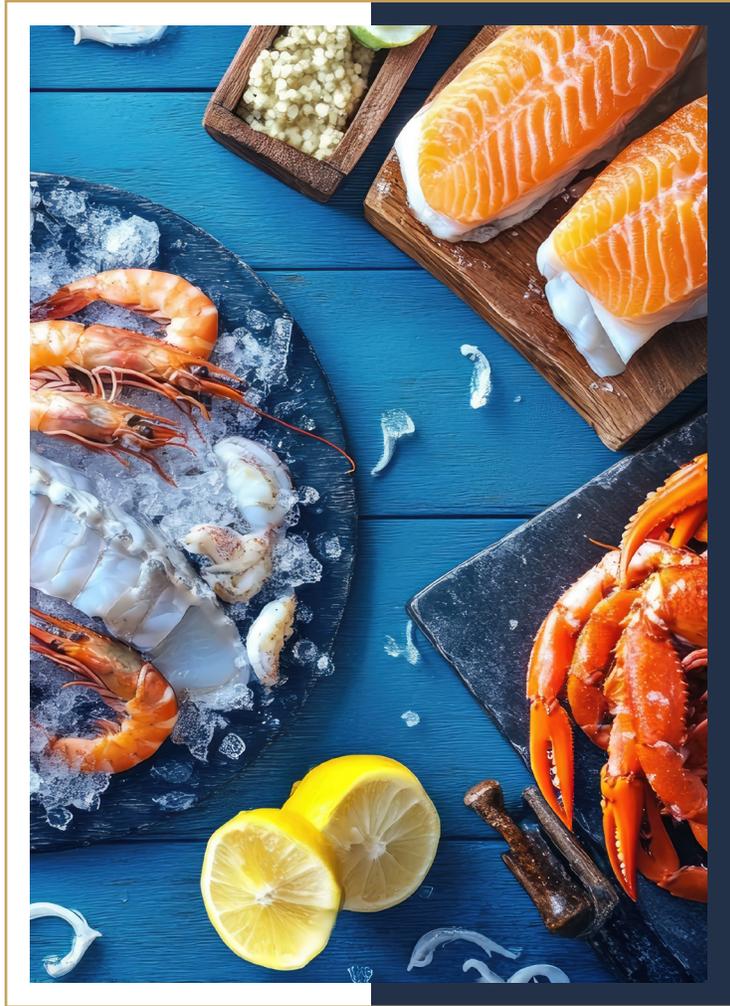

CARMELA

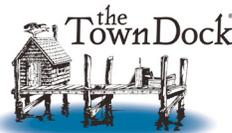

FROM BOAT TO BOARD, CURATED WITH PROMISE.

Port to Pasture is Carmela Foods' commitment to sourcing the highest-quality seafood—carefully selected to meet the expectations of chefs, buyers, and operators who demand consistency and integrity. Our program brings together a broad portfolio of SKUs, many supported by multiple trusted suppliers, allowing our buyers to make informed decisions based on seasonality, availability, region, and quality standards.

At every step, we rely on long-standing partnerships and experienced buyers who understand the market and the product—so the quality you expect is always the quality you receive. Port to Pasture isn't about a single source; it's about the right source, at the right time, chosen with intention.

TRUSTED SOURCING. INTENTIONAL SELECTION.

Market-Driven Selection

Selections based on seasonality, supply, and performance.

Trusted Partnerships

Long-standing relationships with fisheries, ranchers, and processors.

Consistent Quality

What's specified is what arrives—no surprises, no shortcuts.

THE GOLD STANDARD IN SMOKED FISH

Acme is North America's premier smoked-fish purveyor, blending four generations of family craftsmanship with top-tier, wild-caught and responsibly farmed seafood. Smoked in small batches at state-of-the-art, kosher-certified facilities, their hand-filleted products are all about flavor, freshness, and consistency. Family-owned and Brooklyn-rooted since 1906, Acme's legacy is community, taste, and tradition done right.

BROOKLYN BORN, GLOBALLY LOVED

- › **Generations of Expertise:** Family-owned since 1906, blending tradition with innovation in smoked fish.
- › **Premium, Responsible Sourcing:** Wild-caught and farm-raised fish with full traceability and sustainability.
- › **Creative Flavor Selection:** From classic nova to bold pepper and gravlax, variety sets them apart.

BAKKAFROST

ESTABLISHED 1968

RAISED WHERE THE OCEAN IS CLEANEST

Bakkafrost is a world-class salmon producer based in the Faroe Islands, a remote North Atlantic archipelago known for cold, fast-moving waters and pristine conditions. From roe to harvest, Bakkafrost controls the entire process—delivering exceptional quality, traceability, and consistency trusted by chefs and premium retailers around the globe.

This is salmon raised slowly, naturally, and responsibly—with flavor that speaks for itself.

FROM THE WORLD'S CLEANEST WATERS

- › **100% Vertically Integrated:** Control in every step from feed and farming to harvesting and processing, for unmatched consistency
- › **Raised with Fish Welfare First:** Low-stocking densities, strong biosecurity practices, and a focus on natural growth
- › **Faroe Islands Origin:** Caught in the cold, fast-flowing North Atlantic waters for firm-texture salmon with clean, mild flavor

SCAN TO SHOP

SALMON FILLET

Sustainably raised in the Faroe Islands, these premium salmon fillets offer a firm texture, rich color, and clean flavor chefs trust. Carefully handled from harvest to processing, they're ideal for center-of-the-plate applications, raw preparations, and value-added programs.
